

Guest Speakers

MATTHEW GILLIGAN

Matthew is a prominent Chartered Accountant and Managing **Director of Gilligan Rowe and Associates from Auckland**. He is a specialist in the field of asset planning and helps clients protect their assets, implements their estate plans and develops optimal taxation structures through a process called **asset planning**. Matthew will explain the process of how to design your own asset ownership structure with collectively protecting your assets along with estate planning and reducing your tax to ultimately save you thousands of dollars.

He is an energetic and motivating presenter and well known for his public presentations. He is a leader in Strategic Asset Planning in New Zealand. He possesses a deep knowledge of the property market and has been investing in property in Australia, United States and New Zealand for over 20 years. Matthew is a great believer in Education and sharing his knowledge. **Dont miss this meeting.**

SPONSOR: Lew's Creative Flooring

Lew's Creative Flooring is a locally owned & operated business.

It was started by Lew Thompson - as a local flooring contractor in 1989 who now has 30 years' experience in the flooring industry.

Lew's Creative Flooring is a "one stop flooring shop" supplying and installing everything from... Domestic & Commercial Carpet, Vinyl, Cork & Ceramic Tiles, Solid T&G wooden floors, Sanding & Polyurethane, Floor Prep & Diamond Grinding and even go as far as outdoor artificial cricket wickets. They employ their own team of full time installers, this way they have complete control and responsibility for your flooring project. They have high expectation of quality workmanship.
