

Monthly Meeting 3rd April 2019

GUEST SPEAKER

HEATHER BLACK

MPIA Member

Heather is a passionate 'buy and hold' investor with a sizeable portfolio of houses in the Manawatu. She is an IT project manager by day in Auckland and Wellington, and a renovator in every spare hour she can find when home in Palmerston North.

Heather has had experience in trading, rent by room and multi-income properties, both here and in Auckland.

Specialising in turning distressed homes into homes that tenants can't wait to snap up, she can show you how to make a big impact on a small reno budget.

Profiled in the NZ Property investor twice, she is often called upon by the magazine for her view on the bank lending environment, property business plans and financing strategies.

Come and hear Heather talk as she has a wealth of knowledge to share with you.
