

Guest Speaker

**Peter Shelton**

**BUILDING AND SERVICES ENGINEER**

*Some unusual issues with buildings, services and compliance*

*Peter Shelton is a highly regarded **Electrical Engineer**.*

*From the early age of 10, Peter chose a career in Electrical Engineering as he had a passion for fixing things such as old radio's.*

*Peter's dad was a builder and furniture maker and this added to his skills base and passion for buildings.*

*Peter has designed and repaired Engineering work, given solutions after finding faults, especially for unusual situations and has been expert witness in a number of legal cases in NZ.*

*Today a successful business owner who owns companies that either own or are associated with Buildings.*

*As specialists in Building Compliance Solutions including BWOFF and building remedial works, you will find Peter extremely knowledgeable not to mention entertaining.*

*Peter welcomes your questions regarding any services of the building industry.*
