

Monthly Meeting 4th November 2020

Very Special VIP Guest Speaker

LISA O'NEILL

Lisa O'Neill is a name you will remember long after tonight. Feisty, funny, and fabulous, she has a rare ability to deliver powerful messages through side-splitting humour. You will enjoy her straight-talking, refreshing wisdom and infectious laughter.

She is the author of five books: *Look Gorgeous*, *Be Happy*, *Juggling in High Heels - How to Organise Chaos*, *The Lickable Third*, *100 Questions to Self Awareness*, and *Everything You Want*.

She believes that we all want to be happy and that life goes best when it's laced with laughter. So come prepared for some mischief and provocation for straight talking and inspiration.

This is our last monthly meeting for 2020.
