Speakers

Local Investors

These are the investment journeys of three local investors. All are different and there is no one rule to residential property investing, but can you spot any common themes?

Grant Rothville

A quick decision was a good decision. How we ended up property investing in Palmerston North.

Ian & Chrissie Staples

We began our journey with \$7000 in 1999. Since then we have bought, renovated and sold various properties from Wanganui to Porirua & Naenae.

Alistair Saywell

Although Joanna and I were established home owners, we acquired our first investment property just 10 years ago and have learnt a lot since then.
