

Monthly Meeting

1st June 2022

Guest Speaker
Steven Goodey

CEO – Multi Million Dollar Property Developer, Renovations and Room by Room Specialist, public Speaker and Educator

Based in Wellington, Steven has served clients for the past 20 years making many small time investors into medium to large sized millionaires.

Steve has been a full-time property investor since 1999 and has at one time completed a property renovation every nine days.

He invests in large scale residential and small to medium commercial investments as well as being involved in many residential apartment developments.

Steve knows that investors need more than ever to be cash flow positive as capital gains are never guaranteed, so he has developed his own sleek, stylish and profit generating Rent by the Room strategy that turns a negatively geared property into a cash making, equity generating machine.
