Kylie.Galbraith@wsp.com

Meet Kylie Galbraith, **Senior Planner**

From scoping out proposals to preparing resource consent applications, Kylie can do this for you. Kylie has local knowledge of both the district and regional council planning requirements. Call Kylie today to discuss a proposal you are working on.

Kylie is a Senior Planner with over 15 years resource management planning experience, including planning assessment and advice, preparation of submissions, preparation of policy documents and related reports, and public consultation.

Local knowledge, global expertise

We are the premier design, engineering and environmental consultancy of Aotearoa, creating what matters for future generations.

Bringing the very best local and global expertise to help our clients see the future more clearly and design for it today.

Our 1900 talented people in 40 offices across New Zealand design future ready solutions in Property & Buildings, Transport, Water, Power and Environment, as well as provide project delivery and strategic consulting services.

- We are the local experts with 150 years in Aotearoa
- We harness the know-how of WSP's 50,000 specialists to solve our local challenges
- We design with and for the communities in which we work and live.
